

# Smith County Free Fair

## Wild About the Fair

July  
18-22

**K-STATE**  
Research and Extension

Post Rock  
District

## **Open Class Divisions**

(Please mark on entry card the division entering in)

**Junior** - 6 years & under (as of January 1, 2024)

**Youth** - 7 years to 18 years old (as of January 1, 2024)

**Adult** - 19 years & over (as of January 1, 2024)

**Disability** - for persons with a physical or mental disability

## **4-H/FFA Divisions**

7-18 years (as of January 1, 2024)

Jr & Sr Divisions are as follows: (unless otherwise noted in department rules)

**Junior** - 12 years and under (as of January 1, 2024)

**Senior** - 13 years and over (as of January 1, 2024)

## **4-H Cloverbuds**

Cloverbuds may bring 1 project to exhibit as a 4-H Cloverbud and show at the Cloverbud show and share.

(All other projects need to be OPEN CLASS)

(5-6 years) (as of May 1, 2024)

There will be a special opportunity for **4-H Cloverbuds** at the Smith County Free Fair in 2024! The “**Cloverbud Show and Share**” event will take place on Friday, July 19, from 12:30-1:00 p.m. in the Armory. This is an excellent opportunity for each Cloverbud member to get involved in the fair experience.

The “**Cloverbud Show and Share**” will be a non-competitive event in which Cloverbuds are given the opportunity to showcase one activity that they have completed through the 4-H Youth Development program, sharing about all that they have learned along the way. Cloverbuds will be required to pre-register for the event, like any 4-H member wishing to participate at the fair.

Cloverbuds are a part of the 4-H Youth Development Program in Smith County. However, they can enter in the “**Cloverbud Show and Share**” scheduled during the Smith County Free Fair. If a parent chooses, Cloverbuds may compete in Open Class events, which are implemented entirely by the fair board and not by K-State Research and Extension. This model protects the educational and development focus of the 4-H Cloverbud Program, ensuring that their involvement is only in age-appropriate activities. Please contact the Post Rock District—Smith Center Office (282-6823) if you have any questions.

## **Consultation Judging**

You will check in 10 minutes before your scheduled time. Items will be judged at your scheduled time. See fair schedule for judging times. Pre-Entry Deadline: July 1, 2024

## **Commercial Booths**

To reserve a booth space, contact the Extension Office at 785-282-6823.  
Both indoor and outdoor space is available.

## **Kansas State Fair**

**ELIGIBILITY:** Current Kansas 4-H members meeting the membership criteria below are eligible to exhibit in the Kansas State Fair joint areas. **4-H MEMBERSHIP:** Enrolled in a local 4-H program. Members must be 9 years of age before January 1 of the current year and must not have passed their 19th birthday before January 1 of the current year. Exhibitors are expected to be enrolled in the project area in which they are entering at the Kansas State Fair and to have exhibited in that division at their local fair to bring to the State Fair.

## FORWARD

This fair is dedicated to every citizen of Smith County and is conducted for your education and pleasure.

To raise the standard of all products of Smith County is our goal. We are asking every citizen to do his or her part by making exhibits in all classes possible. This is your fair.

## GENERAL RULES

### **Rule I - Interpretations, Amendments, and Violations.**

Section 1—The Executive Committee of the Smith County Fair Association reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with the Fair that shall be held under the management of this Board.

Section 2 – The Executive Committee reserves the right to amend or add to these rules as they, in their judgment, deem it advisable. In the event of a conflict of general and special rules, the latter will govern.

Section 3 –Any person who violates any general or special rule will forfeit all privileges and premiums.

Section 4 –In case there is not sufficient premium money to pay all premiums in full, money will be prorated.

Section 5 –Fair Board can meet, vote and make changes at the fair as needed in executive session. The number of Executive Board members present must be one over majority.

### **Rule II - Entry Requirements**

Section 1—All entries to the Smith County Free Fair are free but no unworthy entry will be received for exhibit.

Section 2—All property of any character entered at the Fair for any purpose shall be subject to the control of the Superintendent in charge.

### **Rule III - Exhibitor: Duties and Privileges**

Section 1—Any individual from Smith County or surrounding counties may exhibit in open class competition but only members of Smith County 4-H Clubs and FFA Chapters may exhibit in 4-H and FFA competition. Smith County 4-H Clubs, FFA Chapters and open class exhibitors shall have priority over non-residents for exhibit space.

Section 2—If it is ascertained that any exhibitor has or caused to be made any false statement in regard to any exhibit or if any exhibitor shall attempt to interfere with the judges in the performing of their duties, he shall be excluded from all competition or exhibition on the grounds of the Fair Association and any awards that he may have received may be forfeited at the discretion of the Board.

Section 3—The decision of the judges shall be final.

### **Rule IV - Power and Liabilities of the Fair Association**

Section 1—The management will use every precaution to guard against extortion in any form on the Fairgrounds and any violation of this rule shall result in forfeit of every privilege, contract on money paid in and expulsion from the grounds.

Section 2—The management reserves the right to remove from the grounds any exhibit, animal, concession, or show that may be falsely entered, or may be deemed unsuitable or objectionable, or to remove any sign, banner, identification mark or signature or advertising matter of any kind which may be deemed objectionable.

Section 3—No diseased animal or fowl will be permitted to be exhibited or occupy space at the Fair and every precaution will be taken to enforce this rule. However, the management will not be responsible for any loss or damage that may be sustained by anyone through violation of this rule.

Section 4—No claim for an injury to any person or property shall be asserted or suit instituted or maintained against the Fair Association, its officers or agents, corporation or firms as a result of damage sustained on the ground at this fair.

### **Rule V - Awards**

Section 1—Premiums will be paid on the first, second and third place exhibits in each class in Open Class. Only one first place, one second, and one third place ribbon stickers will be given per open class. All other entries in the class will receive a participation ribbon sticker.

Section 2— It will be left to the discretion of the Superintendent to have the judge award a champion and reserve champion in the open class division.

Section 3—No ribbon will be awarded on articles not mentioned in this catalog.

Section 4—Classes will be judged according to quality of entries in that class. Trophies and ribbons will be awarded accordingly. Single entries do not necessarily merit championship or blue ribbon placing.

Section 5—Each superintendent will be responsible for putting the information on the Board of Champions for their department.

### **Rule VI - Miscellaneous**

Section 1 – All rights that are applicable shall be made a part of all contracts made with concessionaires.

Section 2 – A Superintendent will be appointed for each department, whose duty it shall be to receive exhibits, properly classify them, and assist the judges. Assistant and Junior Superintendents will assist.

Section 3— All entries shall be exhibited by using a two section exhibit card. Exhibit cards are available from the District Extension Office, Courthouse, Smith Center, KS. One entry card is necessary for each exhibit. Pre-entry will be made two weeks prior to the start of the Fair at the Smith County Extension Office according to department rules.

Section 4 – Livestock exhibitors shall be required to keep their livestock stalled and uncovered from 9:00 a.m. to 9:00 p.m. daily.

Section 5 – No alcoholic beverages or smoking allowed on the fairgrounds. Signs will be posted.

Section 6 – There will be a \$50.00 camper fee for the week during the fair.

## ATTENTION ALL LIVESTOCK EXHIBITORS

The fair is an educational display open to the public, so that the viewing public may have a good experience at our fair. The fair board is asking for your cooperation in making the livestock exhibit area attractive.

The fair board requests that between **6:00 p.m. and 9:00 p.m.** there be no cleaning of stalls or washing of animals in any wash rack area. Stalls and animals must be clean and presentable before **6:00 p.m.** when the public begins to arrive.

We want the fair to be a showcase of excellence and we appreciate your cooperation in this matter.

### **NOTICE:**

The livestock sale committee will not be responsible for selling any livestock that do not meet the current market weights. The weights will be posted on the first day of the Fair and under each different species in the fair book.

\*\*\*\*\*

Caring for the life of an animal is a serious responsibility of 4-H and FFA members. All animals or livestock shown housed and displayed at the Smith County Free Fair shall receive care that is healthful, consistent with accepted husbandry practices, and with the rules and regulations set by the Smith County Free Fair Board. This includes keeping the pens of your livestock in a presentable manner and a safe and comfortable location for your project while at the fair.

Each pen of livestock will be inspected by the superintendents at checkout time. If the pens are unsatisfactorily cleaned upon removal of the livestock, **SALE PREMIUMS WILL BE WITHHELD.**

WITHDRAWAL TIMES FOR DRUGS, GROWTH PROMOTANTS AND OTHER APPROVED MATERIALS: 4-H and FFA members, their parents, project leaders, club leaders, and FFA Advisors have a serious responsibility to use animal health aid (drugs), growth promotants and other approved materials with great care, and only when needed in correct amounts. Approved withdrawal times are set and must be followed to assure that meat customers receive wholesome food products.

## LIVESTOCK HEALTH REQUIREMENTS

### **GENERAL HEALTH REQUIREMENTS (In the State of Kansas)**

**\*No health papers are required for animals residing in Kansas.** Upon arrival a check point will be visibly located on the west side of fairgrounds by the horse arena. All animals must be checked prior to unloading. Early arriving livestock must also be vet-checked with the signed entry card posted in the animal stalls. A veterinarian will inspect each animal for infectious diseases such as club lamb fungus, sore mouth, warts and /or ringworm. Animals found to have any of these conditions will be dismissed from the fairgrounds. To speed this process, we ask that all lambs be slick shorn prior to arrival. These steps are intended to protect, not inconvenience, exhibitors. All animals need to be individually identified by tattoo, metal ear tag, 4-H or FFA ear tag, or breed registration number. Animals with active lesions of ringworm, multiple warts visible without close examination, or infected with mange, as determined by the department superintendent(s) will not be permitted to exhibit. All required tests must have been conducted in a state approved laboratory. All animals are subject to examination by officials designated by the fair board, and shall be free of clinical signs of infectious or contagious disease. **Please have entry cards ready to hand to vet.**

### **GENERAL REQUIREMENTS:**

1. All animals are subject to examination by the exhibition staff or their representatives and shall be free of clinical signs of infectious or contagious disease.
2. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit.
3. Certificate of Veterinary Inspection (Health Certificate)  
**-Kansas Origin Livestock:** Certificate of Veterinary Inspection (CVI) is not required by KDAH, but can be required at the discretion of each exhibition event.  
**-Livestock Originating from other States:** All livestock originating outside of Kansas must meet Kansas import requirements and must have a valid Certificate of Veterinary inspection.

### **CATTLE**

1. All cattle must meet the general requirements.
2. Cattle determined by the exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.
3. Cattle Originating from Other States:  
**-All cattle must have official ID and the ID must be individually listed on the accompanying CVI.**  
**-Dairy cattle that are used for breeding and are six months of age or older shall originate from a herd accredited to be tuberculosis-free or shall be tested negative for tuberculosis within 60 days before entry.**  
**-All dairy cattle must obtain an import permit number prior to movement into Kansas.**

### **BUCKET CALF**

First year bucket calves should be in good general health.

## **GOATS**

In addition to the general requirements, all goats shall:

1. Be free of any signs of sore mouth.
2. Free of clinical signs of active fungal (ringworm) infection.
3. Be identified with a registered tattoo or an official USDA premise ID tag (Scrapie Tag). Goats identified with registration tattoos must have legible tattoos and must have registration papers for these animals available for inspection. Kids, under 8 weeks of age, accompanying their dams, are exempt from tagging requirements.

## **SHEEP**

In addition to the general requirements, sheep must:

1. Be free of any signs of "sore mouth".
2. Be free of signs of active fungal (ringworm) infection, including Club Lamb Fungus and must be inspected at the Vet check point.
3. Must be identified with an official USDA premise ID tag for scrapie. Lambs, under 8 weeks of age, accompanying their dams, are exempt from tagging requirements.

## **HORSES**

1. Must meet general requirements.
2. It is highly recommended, but not required, to complete a comprehensive vaccination protocol.
3. **Kansas Origin Horses:** A valid VS form 10-11 showing evidence of a negative Equine Infectious Anemia (Coggins) test conducted by a state-approved laboratory within 12 months prior to exhibition is recommended, but not required by KDAH.
4. **Horses Originating from Other States:** In addition to the general requirements, horses originating from other states shall show evidence of a negative EIA (coggins) test conducted by a state-approved laboratory within 12 months prior to entry into Kansas. This must be on a valid VS form 10-11. Foals, six months of age and younger, accompanying their negative dams, are exempt from EIA test requirements.

## **DOGS**

**The State 4-H Dog Show Immunization Record (MG-34 Revised) must be completed for each dog entered in the Dog Show.** The fully completed form must be presented to the superintendent on the day of the show to be eligible to compete. Teams without the immunization record will not be allowed to show. Required vaccinations include: Bordetella, Distemper, Hepatitis, Parovirus, Parainfluenza, and Rabies. The rabies vaccination must be administered by a licensed veterinarian. All vaccinations must be current. Dogs must be at least 6 months of age at time of show.

## **SWINE**

All swine must meet the general requirements. **Negative pseudorabies and brucellosis tests are NOT required for Kansas origin swine.** However, if you return the hogs to your farm from the fair, the fair board and Post Rock Extension District Board will not be held liable for any loss or damage that may be sustained by this rule. It will be at the exhibitor's own risk to return the hogs to your herd.

Swine originating from Other States must also meet one of the following:

1. All swine must have official ID and ID must be individually listed on the accompanying CVI.
2. All swine must obtain an import permit number prior to movement into Kansas.

**NOTE: Swine vaccinated for Pseudorabies shall not be allowed into Kansas for Exhibition or any other purpose.**

## **POULTRY**

**Poultry originating from Other States:**

1. All poultry entering Kansas, except waterfowl, must show proof that they are pullorum-typhoid clean by one of the following methods:
  - Originate from a NPIP certified U.S. Pullorum-Typhoid clean flock as evidenced by an official VS Form 9-3, certifying all adult poultry in the flock have had a negative test for pullorum-typhoid within the past year. Adult poultry are any turkeys over 12 weeks of age and any other poultry over 16 weeks of age.
  - Be accompanied by an official VS Form 9-3 signed by the official NPIP representative in the state of origin or by a health certificate that has been issued within the previous 30 days.
  - In addition to the VS 9-3 or CVI, out-of-state poultry must have a "Permit to Ship Poultry or Hatching Eggs" issued by the KDAH within the previous year or a permit number issued by the KDAH office within the previous 15 days.

## **CATS AND HAND PETS**

All cats must have proof of the distemper vaccination and rabies (for cats 4 mos. and older). The leukemia vaccination will be optional. All dogs showing as hand pets must have proof of current vaccinations. All animals should be free from any disease and in good health.

**HEALTH REQUIREMENTS FOR THE SMITH COUNTY FREE FAIR ARE THE SAME AS THE KANSAS STATE FAIR SUGGESTS USING. ALL HEALTH REQUIREMENTS WILL BE STRICTLY ENFORCED. THESE RULES ARE FOR YOUR PROTECTION. PLEASE ABIDE BY THEM. THERE WILL BE NO STOCK TANK AT THE FAIR. EXHIBITORS WILL HAVE TO BRING THEIR OWN WATERING EQUIPMENT.**

## General Livestock Rules and Regulations

1. Read carefully the general information, rules and regulations.
2. Each 4-H member is highly encouraged to have one or more exhibits at the County Fair.
3. Exhibitors must own projects exhibited and must be enrolled in the project phase which the exhibit represents.
4. Exhibits will be placed in champion, blue, red, and white ribbon groups.
5. In classes where there is one exhibit, the judge reserves the right to place the exhibit in the ribbon group they see fit. (Single entries do not necessarily merit trophy or blue ribbon.)
6. Cash prizes will be given to 4-H Leaders for distribution and mailed to FFA Departments for distribution.
7. An entry tag must be filled out and turned in to the superintendent for all livestock exhibits at weigh-in the first day of the Smith County Free Fair.
8. **Livestock projects must be fitted by the owner or other Smith County 4-H/FFA member.**
9. Animals shown in market classes are not eligible to be shown in breeding classes and vice-versa. No livestock shown in breeding classes are eligible to sell in the premium auction.
10. Each exhibitor will be responsible for the feed and care of his animals.
11. Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. Attendance is also required of the exhibitor to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld unless other arrangements are made.
12. The management and superintendent will do their best to provide adequate facilities and protection for exhibits. They are not responsible for damage or loss.
13. **The Smith County Free Fair is the official County Fair for Smith County 4-H members, Smith Center FFA and the Thunder Ridge FFA, and members must exhibit here to be eligible for out-of-county competition. You may show in neighboring counties, but cannot put an animal in the Smith County Free Fair premium auction and then show that same animal in another county.**
14. The blue/purple exhibits entered in the 4-H Division will be eligible to enter the State Fair in Hutchinson, if a class is available.
15. ALL LIVESTOCK OWNERSHIP IS ENCOURAGED BY MAY 1 AND TAGGED BY JULY 1. Horses are required to have horse I.D. papers in to the Extension Office by July 1 of the current year. Official ear tags are available at weigh-in and at the extension office.
16. Any livestock unloaded the night before will be disqualified.
17. Each pen of livestock will be inspected by the superintendents at the check-out time. If the pens are unsatisfactorily cleaned upon removal of the livestock, **RIBBON AND SALE PREMIUMS WILL BE WITHHELD**. This includes the departments 4-H/FFA Horse, Beef, Sheep, Swine, Poultry, Rabbits, Llama, Bucket Calf, Dairy, Cattle, & Goats.
18. Smith County 4-H/FFA members must show their own livestock. 4-H/FFA members may have another Smith County 4-H/FFA member show their livestock for the following reasons:
  - a. more than 1 animal in the same class.
  - b. injury or illness of the show person determined by the 4-H Grievance Committee fair board executive committee.
  - c. PRIOR approval by the 4-H Grievance Committee fair board executive committee for other extenuating circumstances.
19. All 4-H'ers intending to sell livestock in the auction must contact their superintendent, or sign-up in the barn by 8:00 a.m. on Monday morning. No changes after this time. Strictly enforced!
20. **No alcoholic beverages or smoking allowed on the fairgrounds.** Signs will be posted.
21. The steer and heifer show will be no fit show, "Blow and Show". "No Fit", at the Smith County Free Fair is defined as using no adhesive, glue, paint or powder products.
22. 4-H/FFA member's projects can exhibit unlimited entries in all divisions.
23. Any animal exhibited at the fair registered to a 4-H/FFA member, this same animal may be shown by a child directly related to that 4-H/FFA member. An exhibitor may only collect one premium per animal.

## Smith County Premium Sale Rules

### Sale Procedure:

The Grand Champion in each of the Foods classes will sell first. The Grand Champion and the Reserve Champion animals will sell first. An average will be taken. The blue-ribbon animals will sell next. A blue-ribbon animal can sell for no more than an average of the Grand and Reserve Champions. The top red not more than the average of the blue-ribbon winners. White ribbon animals sell next. The white ribbon animals can sell for no more than the average of the red ribbon winners.

Individuals can sell only one animal or food product.

\*\*\*Individuals are required to attend setup and cleanup for one hour each and also individuals are required to work 1 shift (3-4 hrs) at the 4-H Food Stand before being eligible to sell their animal or foods exhibit in the Premium Auction.

Three percent of premium on sale of livestock will be withheld and used for fair improvements.

Premium Sale Rules-Executive board has final decision. If a 4-Her will not be able to attend the premium auction they must follow the following protocol. 4-Her must submit a letter to the fair board by 9 a.m. sale morning, and hand deliver a thank you to the buyer.

### Sale Order:

2024 – Beef, Sheep, Meat Goat, Swine  
2025 – Beef, Meat Goat, Swine, Sheep  
2026 – Beef, Swine, Sheep, Meat Goat  
2027 – Beef, Sheep, Meat Goat, Swine

The Sale Committee will establish a floor bid on each animal.

The Fair Board considers all sales final between buyer and seller. Any exhibitor wishing to take an animal to another show is encouraged to check the rules governing the show before selling at the Smith County Fair Premium Sale. Some shows do not allow animals to be shown if they have been through a premium, or market auction.

The livestock sale committee will not be responsible for selling any livestock that do not meet the current market weight. The weights will be posted on the first day of the Fair.

The rotation system for clerking the livestock sale has been set up as follows:

2023-2024 Farmer's National Bank – Kensington/Agra  
2025-2026 Guaranty Bank – Smith Center  
2027-2028 The Peoples Bank – Smith Center  
2029-2030 Smith County Bank – Smith Center

**Preservation Rules**

1. Recommended method of processing must be used. Recipes must be from current, test resources listed below and must be adjusted for altitude based on your processing location, or it will be disqualified. Follow guidelines in K-State Research and Extension Food Preservation publications or "USDA Complete Guide to Home Canning @2015"; or "So Easy to Preserve, 6<sup>th</sup> Edition; Ball Blue Book Guide to Preserving, Edition 37; Ball Complete Book of Home Preserving, @2015 and @2020; KSRE Rapid Response Center Preservation Recipes; National Center for Home Food Preservation; Ball and Kerr Canning mixes (i.e. Mrs Wage's Ball); Pectin manufacturers (i.e. SureJell, Ball). Open kettle processed food and oven canned food will be disqualified. Pickles and sweet spreads must be finished using a water bath process for the altitude of residence. Low acid products must be pressure processed properly for the altitude of residence. Refer to K-State Research and Extension publications for more information: 4H712, Food Safety Recommendations for Food Preservation Exhibits, (<http://www.ksre.ksu.edu/bookstore/pubs/4H712.pdf>), MF3170 "10 Tips for Safe Home-Canned Food (<http://www.ksre.ksu.edu/bookstore/pubs/MF3170.pdf>), MF3171 "Sassy Safe Salsa at Home" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3171.pdf>), MF3172 "What's Your Elevation?" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3172.pdf>), MF3241 "How to Guide to Water Bath Canning and Steam Canning (<http://www.bookstore.ksre.ksu.edu/pubs/MF3241.pdf>), MF3242 "How to Guide to Pressure Canning (<http://www.bookstore.ksre.ksu.edu/pubs/MF3242.pdf>), for information to help you make informed, safe food preservation exhibit decisions.
2. No alcohol should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
3. Each exhibit must have the complete recipe and instructions with the entry card, or will be lowered one ribbon placing. Recipe must include recipe source, date of publication and altitude of residence.
4. Exhibits must be sealed in clean standard canning jars, with matching brand (use Ball lid on Ball jars, etc.) two-piece lids. Ball and Kerr plaid or fruit decorated or brushed silver lids are permissible, but fancy padded lids, fabric over wraps or cozies interfere with the judging process and should not be used. No fancy packs unless recipe state to do so (ex: Pickled asparagus) Jars must be sealed when entered. Jelly must be in half pints or pint jar. All other products must be in pint or quart jars. Note: There are now 12- ounce

**DEPARTMENT 17 - PHOTOGRAPHY OPEN CLASS**

**Rules:**

1. One entry per class.
2. Photographs cannot be larger than 8x10 with no white border around pictures or will be awarded a ribbon placing lower.
3. All entries must be mounted across the narrow dimension of an 11 x 12.5" white poster board 1" from the top and equal distance from side to side. A permanent mount must be made by using photographic adhesive.
4. To protect exhibits from dust and moisture, pictures must be placed in a two-gallon zip top bag. Pictures will be judged on composition, storytelling, ability, photographic quality, and neatness of mounting. Improperly mounted photos will be awarded a ribbon one placing lower than the placing determined by the official judges. A color photo taken with a digital camera and printed without any more enhancement manipulation than could be done in a photo darkroom would be no different than a photo from film.

**Use of Copyrighted/Trademarked Materials – Applies to Department 19 Booths**

In recent years, there has been an increase in the use of brand names, logos, and quotations on exhibits at county and state fairs. Many of these (Olympic rings on banners, candy wrappers on nutrition posters, “Just Do It”, etc.) are copyrighted or trademarked.

Anytime you see the letter “c” with a circle around it the owner of the material holds a copyright. Similarly, all rights to use trademarks are protected by either a “TM” or Letter “t” with a circle around it.

If an individual or group feels that they must use copied material, they should contact the original source, explain how their property will be used, and request written permission so that the material can be used in good faith. The holder may require a user fee. The written permission to use copyrighted and/or trademark material must be attached to the exhibit or displayed if used in a public presentation.

## DEPARTMENT 20 -NORTHWEST FFA DISTRICT AG MECHANICS

## DEPARTMENT 28 - ROUND ROBIN

### Rules:

1. Divisions will be determined by age as of January 1. -- SENIORS: 13 AND OVER, JUNIORS: 12 AND UNDER
2. A senior and junior showman will be chosen from the following classes: Beef, Horse, Dairy Cattle, Goats, Sheep, and Swine. These showmen will then compete in the Round Robin.
3. If there is not a champion in a species, that species will not be judged.
4. 1<sup>st</sup> – 4<sup>th</sup> places will be named in each of the livestock showmanship classes. The 3<sup>rd</sup> or 4<sup>th</sup> may be eligible to participate in the Round Robin if 1<sup>st</sup> or 2<sup>nd</sup> are unable.

The Round Robin for the 2024 Smith County Fair consists of the 4-H /FFA specie champions from the individual shows. Currently they are beef, sheep, swine, horse, and goat. Other possibilities will include dairy cattle when available. **Only Grand or Reserve showman can participate in Round Robin. If a member wins multiple species of showmanship they may choose which species to show. If their choice leaves an open species, then the member must show the species which will allow the most members to participate. The executive board has the final decisions in order to get the most participants involved.**

For each specie, all senior contestants from the above breeds will show at once. For example there will be five steers or heifers from the market and /or breeding classes of the beef show exhibited at once. This example excludes dairy cattle. Each contestant will show their own animal in the species they won and a drawing will be held for the other species.

The judge will determine activities in the showing and appropriate questions. The judge will select the Grand Champion and Reserve Champions at the end of the competition. Upon completion of the individual specie rotation, all animals will remain in place. The juniors will be brought in and they will show the animals in the ring. When the first rotation is over, the Seniors will then bring in the next specie according to the rotation listed below and follow the same procedure.

All livestock exhibited at the Smith County Fair will be eligible for the Round Robin. The judge has the discretion to rotate the individuals in the show ring and score as he/she feels appropriate; provided each specie or rotation is deemed of equal value. When quantity of animals is limited, individuals will have to take turns using the same animal(s) (i.e. dairy cattle, horses, goats).

The animals should be clean. Individual show superintendents will supervise livestock waiting to be shown. Each specie superintendent will be responsible for the selection of the livestock to be used.

The order of specie rotation will be:

1. Swine
2. Beef
3. Horse
4. Sheep
5. Goats
6. Dairy Cattle

**Each contestant is required to wear the official Smith County Free Fair t-shirt when participating in the Round Robin Competition.**

## DEPARTMENT 39 - FORESTRY 4-H/FFA

### Rules:

1. All leaf exhibits will be mounted on 8 ½ x 11 heavy stock paper and placed in loose leaf binders (Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose. (Maximum exhibit size 3' x 4')
2. Name, club, age, and year in project on front cover or in a prominent location.
3. Leaves should be identified with an appropriate label located near the leaf on the same page. Labels should include (1) proper common name as listed in the 4H334 ("List of Native Kansas Trees"); (2) location (city and/or county) where collected; (3) date (day/month/year) collected.
4. Divide specimens into two sections: Native Kansas Trees and Non-Native Trees.  
(<https://www.bookstore.ksre.ksu.edu/pubs/4H334.pdf>)
5. New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
6. Group specimens according to the years collected (ex. "old-previous years" and "new")
7. Variations of varieties do not count as different species or specimens.
8. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the "old previous" section of the display.
9. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
10. In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.
11. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.
12. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
13. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**
14. If the youth is in their first 2 years of the project, they may enter 235 (Beginning). If they are in their 3<sup>rd</sup> or 4<sup>th</sup> year in the project, they may enter class 236 (Intermediate). If they are in their 5<sup>th</sup> or 6<sup>th</sup> year in the project they should enter class 236A (Senior). If they are in their 7<sup>th</sup> or more year in the project enter class 237 (Advanced).

## (CONT.) DEPARTMENT 39 - FORESTRY 4-H/FFA

15. Youth of any age may enter 238-243. Youth could enter a maximum of two entries as long as they are in different classes, ex. One from 235-237 and another from 238-243.

## DEPARTMENT 40 - 4-H VISUAL ARTS

### Rules:

1. Exhibitor must be enrolled in project to enter this division.
2. Members may have unlimited entries in the department
3. More than 1 entry may be made in each class.
4. All entries must be the work of the exhibitor and must be current year's work.
5. Exhibitors are responsible for packing and unpacking their own exhibits.
6. 4-H'ers should bring their entries at the time they are to be judged.
7. All entries ready for display. i.e. All entries must be ready for display-complete with hangers, wires, etc. or will be lowered on placing.

**(CONT.) DEPARTMENT 40 - 4-H VISUAL ARTS**

8. Fine Arts **must** be framed, matted or both.
9. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
10. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is also required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**
11. The grand champion in each of the 5 Visual Arts Divisions will be able to go to state. The 5 divisions are Fine Arts, Clay and Ceramics, Leather and Jewelry, Three-Dimensional, and General Crafts. A MEMBER MAY ONLY TAKE 1 ITEM TO THE STATE FAIR.

Fine Arts- oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging, stretched canvas art on a wood frame is considered prepared for hanging provided that frame has a hanger. Clay and Ceramics – Any original item of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven cured, and/or cornstarch clays are acceptable. Items can include, but not limited to clay statues, bowls, etc. Leather and Jewelry – Any leather stamped, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits. Three-Dimensional – The piece must be observable on at least 3 sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable. General Crafts - This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

COPYRIGHT \*\* Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the members own ideas can result in original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. IF you create a replica of what you see somewhere else (i.e. Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.

## DEPARTMENT 40C - FIBER ARTS 4-H

### Rules:

1. Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.
2. Exhibitor must be enrolled in project to enter this division.
3. Members may have unlimited entries in the department
4. More than 1 entry may be made in each class.
5. All entries must be the work of the exhibitor and must be current year's work.
6. Exhibitors are responsible for packing and unpacking their own exhibits.
7. 4-H'ers should bring their entries at the time they are to be judged.
8. All entries ready for display.
9. Fiber Arts Educational Notebook - Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-tos, photographs of completed projects, or other ways of educating others about fiber arts. NOTE: A collection of brochures, web pages, patterns, record book forms, etc. does not constitute an educational notebook. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Name, local unit and fiber art covered must be clearly marked in the notebook.
10. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
11. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is also required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

### Rules:

1. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>
2. Food Safety Guidelines should be followed. "Food Safety Recommendations for Acceptable Fair Exhibits" publication is available at the Extension Office
3. For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. Cream cheese) raw eggs, flavored oils, "canned" bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4-H888, Judge's Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.

**(CONT.) DEPARTMENT 41 - FOODS & NUTRITION 4-H**

4. Alcohol (ex. Wine, beer and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
5. Unlimited entries in classes 290-301A, and unlimited entries in classes 310-333.
6. Place entire baked product on a **heavy** paper plate or cardboard not more than 1" larger than the product. **(Please do not use glass or metal pans)** Exhibit will be lowered one ribbon place if not exhibited properly.  
Use the following guidelines for exhibiting each type of food as follows:  
\*Cookies, muffins, biscuits, rolls, etc. - 3 samples, same shape, same recipe (exhibitors may use any type, flavor, or kind of baked product in these categories). No muffin paper on muffins.  
\*Cakes/Coffee Cake - Include whole cake, may be 1 or more layers, frosted or unfrosted, any flavor.  
\*Pie - Exhibit whole pie. Custard and cream pies are not acceptable for food safety reasons.
7. **Each entry should be placed in a plastic bag.**
8. Cakes may be made from your favorite recipe or commercial mix.
9. All unfrosted cakes shall be exhibited in an upright position with top crust showing, except for those cakes made with special designs such as Bundt cakes.
10. **Recipes are required.** Exhibit will be placed 1 ribbon lower if there is no recipe or rules are not followed.
11. Microwave/convection baked foods are acceptable in all classes. 4-H'ers should also tell judge that the product was prepared in a microwave or convection oven.
12. Products will be sold to the public after judging.
13. In all classes - educational exhibits can be a poster, recipe box, notebook, or other display showing and describing something learned, a project or activity completed, a food nutrition community service program, etc. The exhibits should relate to the things done in the project in which the member is enrolled.
14. Highly recommend to not use same recipe, the following year if a purple is received.
15. **Food Gift Package** – No alcoholic beverages will be accepted. In all classes, a food gift package must contain at least 3 different items, prepared by the 4-H'er, in a suitable container no larger than 18"x18"x18". Prepared food items must have recipes included. Additional prepared or purchased item can be included. Food products will not be opened or tasted - recommended for packaging to allow all or part of product to be seen. Evaluation standards include: creativity in presentation and container, appropriateness for desired situation considered, canned items should follow recommended standards for food preservation, and appearance of prepared food items - should be attractive and meet standard of the product, i.e. uniform size, evenly browned.
16. The Grand Champions will be eligible to sell the product on Monday night at the Premium Sale. You may sell only food item or livestock, but not both.
17. NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.
18. Exhibitor must specify how canned goods are processed.
19. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
20. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

**4-H Preservation Rules**

- Recommended method of processing must be used. Recipes must be from current, test resources listed below and must be adjusted for altitude based on your processing location, or it will be disqualified. Follow guidelines in K-State Research and Extension Food Preservation publications or “USDA Complete Guide to Home Canning @2015”; or “So Easy to Preserve, 6<sup>th</sup> Edition; Ball Blue Book Guide to Preserving, Edition 37; Ball Complete Book of Home Preserving, @2015 and @2020; KSRE Rapid Response Center Preservation Recipes; National Center for Home Food Preservation; Ball and Kerr Canning mixes (i.e. Mrs Wage’s Ball); Pectin manufacturers (i.e. SureJell, Ball). Open kettle processed food and oven canned food will be disqualified. Pickles and sweet spreads must be finished using a water bath process for the altitude of residence. Low acid products must be pressure processed properly for the altitude of residence. Refer to K-State Research and Extension publications for more information: 4H712, Food Safety Recommendations for Food Preservation Exhibits, (<http://www.ksre.ksu.edu/bookstore/pubs/4H712.pdf>), MF3170 “10 Tips for Safe Home-Canned Food (<http://www.ksre.ksu.edu/bookstore/pubs/MF3170.pdf>), MF3171 “Sassy Safe Salsa at Home” (<http://www.ksre.ksu.edu/bookstore/pubs/MF3171.pdf>), MF3172 “What’s Your Elevation?” (<http://www.ksre.ksu.edu/bookstore/pubs/MF3172.pdf>), MF3241 “How to Guide to Water Bath Canning and Steam Canning (<http://www.bookstore.ksre.ksu.edu/pubs/MF3241.pdf>), MF3242 “How to Guide to Pressure Canning (<http://www.bookstore.ksre.ksu.edu/pubs/MF3242.pdf>), for information to help you make informed, safe food preservation exhibit decisions.
- No alcohol should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
- Each exhibit must have the complete recipe and instructions with the entry card, or will be lowered one ribbon placing. Recipe must include recipe source, date of publication and altitude of residence.
- Exhibits must be sealed in clean standard canning jars, with matching brand (use Ball lid on Ball jars, etc.) two-piece lids. Ball and Kerr plaid or fruit decorated or brushed silver lids are permissible, but fancy padded lids, fabric over wraps or cozies interfere with the judging process and should not be used. No fancy packs unless recipe state to do so (ex: Pickled asparagus) Jars must be sealed when entered. Jelly must be in half pints or pint jar. All other products must be in pint or quart jars. Note: There are now 12- ounce and 24-ounce canning jars available. If there is not a USDA recommendation process time available for the 12-ounce jar, these may be used a pint jar canning process recommendation. Use Quart jar process recommendations for 24-ounce jars.
- Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: Class No, Product, Altitude where processed, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District. Templates to make adhesive labels can be found at: [https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods\\_Label.pdf](https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf)
- If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – ½ cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in “Dry meat Safely at Home” [www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf](http://www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf)

## DEPARTMENT 43 – 4-H SEWING & TEXTILE DESIGN/ SHOPPING IN STYLE

This project will teach you the basics, such as sewing a pillowcase or shirt, learning different stitches or putting in a zipper. Learn to create and sew your own clothing and accessories while exploring the world of fashion and how to take the design of your choice and customize it for the perfect look, color and fit.

**Rules:**

1. Garments may have been worn before exhibited, but shall be carefully laundered or cleaned before being exhibited. Quilted Items still under Fiber Arts
2. Exhibitors may enter unlimited exhibits in this department: constructed and educational.
3. The exhibitor is encouraged to attach an index card or photo, no larger than 4" x 6" with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know and could include care information. If your exhibit qualifies for the Wool Award, please indicate you would like your exhibit considered and share wool percentage on the card.
4. Judging will be done by consultation.
5. Educational class exhibits may be in the form of a poster, notebook or display, sewing box, etc.
6. Judging date is Monday, July 14th. Exhibitors **MUST** exhibit their constructed clothing at the County Fair. Constructed clothing exhibits are to be checked in at the Armory, Wednesday July 17th between 12:00 p.m. and 2:00 p.m. Premiums will be withheld if the clothing is not exhibited.
7. Pre-cut kits are acceptable for all clothing classes. All articles/garments must be finished for use.
8. Recycled Clothing Project – An item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Could be remaking/redesigning a garment, re-purposing a clothing item for a new use, etc. Must include sewing of some kind. **An index card (no larger than 4"x6") MUST accompany entry describing the recycled materials and how they were used in the item.**
9. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**

**SHOPPING IN STYLE**

4-H members will learn what clothing styles look best on them while they also gain skills in building a versatile wardrobe and staying within their budget. Each year enrolled in Shopping in Style should build on previous year’s learning experience. Exhibit one of the following options that align with the 4-H member’s Shopping in Style level.

**Rules**

1. Posters can be flat poster board or foam board, no larger than 22” x 28.”
2. Tri-fold educational displays must be free standing and no larger than 36” x 48.”
3. Photos of 4-H member in purchased outfit must demonstrate criteria as outlined on scoresheet. Consider multiple angles, good light and highlight details so that the judge may accurately evaluate the exhibit.
4. Exhibits should include actual photos of 4-H member in garments, and may also include pictures from magazines or the internet

**Eligibility** – 4-H members wishing to exhibit must be enrolled in the Shopping in Style project and receive a qualifying ribbon rating at their local county fair.

**Quota** – A 4-H member may make only one entry in this division.

**Classes** Exhibit one of the following options that align with the appropriate Shopping in Style level:

**4020 Shopping in Style: Junior** - Choose one of the following activities from Unit 1 or Unit 2 (Ages 7-9) of the curriculum project manuals. Exhibit should consist of poster that showcases:

- A. a garment you purchased that reflects your personal style and explains how this garment reflects your style and how it influences what others think of you; **OR**
- B. a garment you purchased and explains how your personal style either aligns or contradicts what is considered to be “in style” today. **OR**
- C. a garment you purchased and explains or illustrates how this garment is a modern version of a fad or fashion from an earlier decade; **OR**
- D. a garment you purchased and explains how this garment reflects a different ethnic or cultural influence; **OR**
- E. a garment you purchased and includes a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection.

**OR**

~ Unit 3 or Unit 4 (Ages 10-12) of the curriculum project manuals. Exhibit should consist of a display that showcases:

- A. an outfit you purchased to wear with a clothing item that was already in your wardrobe that still fit but you didn’t wear anymore. Explains why the clothing item was not being worn and what you did to transform it into a wearable garment again. **OR**
- B. a top and bottom that you purchased, as well as at least three pieces of clothing in your existing wardrobe that you can mix and match with the new items to create multiple outfits. Includes a clothing inventory and explain what you have learned by completing this activity. **OR**
- C. an outfit you purchased and explain why you selected the garment you did, your shopping budget, and cost per wear; **OR**
- D. an outfit you purchased and explain how advertising influences clothing purchases making a distinction between wants and needs. Include your shopping budget and cost per wear. **OR**
- E. an outfit you purchased along with a cost comparison between garments/accessories purchased vs. sewing/constructing the outfit. Comparison should include variety of shopping options and/or price tracking at stores over a period of time.

**4022 Shopping in Style: Senior** – Choose one of the following activities from Unit 5 or Unit 6 (Ages 14-18) of the curriculum project manuals. Exhibit should consist of a display that showcases:

- A. an outfit you purchased and care requirements not only for this garment but also for garments made of other natural and synthetic fibers. Display should also include a care cost analysis for garments of different fibers; **OR**
- B. an outfit you purchased which you have repaired or altered. Include a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments; **OR**
- C. an outfit you purchased along with plans and commentary for a fashion show that that would capture the attention of an audience. Plans should identify target audience, venue, theme, budget, and logistical plan for the fashion show; **OR**
- D. an outfit you purchased and explain 3 methods of clothing repair that you have learned, i.e. torn seam, torn hem, replacing a button, etc. Display should also include photos and list of your assembled clothing first aid kit. Include itemized expenses; **OR**

## DEPARTMENT 48 - ENTOMOLOGY 4-H/FFA

### Rules:

1. A 4-H member may choose to exhibit in the Collection or Educational class for each phase, or both.
2. Individual entries are to be placed in glass covered boxes 18 x 24 x 3 ½ inches (maximum). See specific phase for box and specimen numbers.
3. Each exhibitor is required to identify each box by placing an identification label bearing the exhibitor's name and county and the class. One label in the upper left corner of the box (inside) and the other on the back of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
4. Exhibition of the current year's collection is encouraged. However, the "rare find" shown in a beginning class should have a place in the more advanced classes.
5. Education classes are limited to one standard box and a maximum of 150 specimens Title of exhibit should be indicated inside the box.
6. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the Collection Boxes and Notebook Classes, unless labeled as male or female and correctly identified.
7. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then Family where required.
8. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector's name or host on the date/locality label is optional.
9. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.
10. Only specimens of the class Insecta should be included
11. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
12. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
13. Introductory Entomology is for 7-9 year olds or interested beginners of any age. Years in class: two years maximum. Class not eligible for State Fair.
14. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
15. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

### Cloverbud Collection Class:

display in one or two shoe boxes, pencil boxes, cake pan with a clear lid, or one standard display box a minimum of 5 and a maximum of 10 species representing at least 4 orders. The boxes should be covered with a piece of plastic wrap, plexiglass, or other protective covering taped to the top of the box or attached in some manner. Follow the general guidelines listed for collections. Members may exhibit in this class a maximum of 2 years while they are Cloverbuds. There is no State Fair class for this level.

#### **CLOVERBUD RIBBON**

### Introductory Entomology

500 - Insect collection of at least 6 orders, including 15 to 30 specimens to be shown in 2 cigar boxes and grouped according to order. Insect names are not necessary on individual specimens but date-locality labels are required.

### Introductory Educational Exhibit:

500A - Class for individuals who are exhibiting in the introductory Collection or Introductory Notebook Classes. If only exhibiting in this category, then ages 7-8. There is no State Fair class for this level.

**DEPARTMENT 49 - GEOLOGY 4-H/FFA**

**Rules:**

- The standard size exhibit box should be 18" x 24" x 3 ½". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. If a box has a sliding plexiglass cover, it must be removable from the top. Screws, locks or other devices that would prevent judges from removing glass cover should not be used.
- Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the box (inside), and by attaching a label with the same information to the back of the box (outside). The inside label is to also indicate the class number.
- Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first three geology classes. Exhibitor may also show in geology class (special exhibit) and in one or more of the lapidary classes.
- Geology specimens should be labeled with the number of the specimens, collected, the legal description (section, township, range of the specimen).
- For the Geology class (510, 511, 512) specimens should be mounted in the box by proper groups-rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).
- For geology classes (510, 511, 512) all specimens must be collected (not purchased) from locations in Kansas or from counties bordering Kansas. Out-of-state specimens will not count in the minimum number of the class, nor will they be considered in the judging.
- All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
- Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

**Geology**

	Purple	Blue	Red	White
510 - Geology. Display at least 15 different rocks, minerals or fossils. Only those exhibiting at County Fair for the first time may enter this class. (1 box)	4.00	3.00	2.00	1.00
511 - Geology. Display at least 30 different rocks, minerals, or fossils; at least 5 of each. <b>Fifteen must be collected during the current 4-H year.</b> This class is open to those exhibiting either first or second time at the County Fair. (1 box)	4.00	3.00	2.00	1.00
512 - Geology. Display at least 45 rocks, minerals, or fossils; at least 5 of each. <b>Fifteen must be collected during the current 4-H year.</b> This class is open to those exhibiting either third or fourth time. Identify the rocks as igneous, metamorphic or sedimentary. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formation. Specimen label must show this distinction (Fort Hays limestone not just limestone; Composite Brachiopod from Morrill Limestone not just Brachiopod or Composite Brachiopod). (2 boxes)	4.00	3.00	2.00	1.00
512A - Geology. Display at least 60 rocks, minerals, or fossils, at least 5 of each. <b>Fifteen must be collected during the current 4-H year.</b> Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the State Fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.	4.00	3.00	2.00	1.00

**(CONT.) DEPARTMENT 50 - PHOTOGRAPHY 4-H**

7. Improperly mounted or sized photos will be awarded a ribbon one placing lower than the placing determined by the official judges
8. \* indicates classes eligible for State Fair
9. In addition to the “\*” items, if the judge feels that a snapshot is good enough to go to the State Fair, he may award a purple ribbon. A 4-H’er may then choose to enlarge the snapshot for the State Fair.
10. A color photo taken with a digital camera and printed without any more enhancement manipulation than could be done in a photo darkroom would be no different than a photo from film. These photos should be entered in classes 519-536.
11. The date and time must be removed from all photos entered.
13. Digital Composite Image: Finished photo must be created from two or more original images photographed by exhibitor. HDR photos do not qualify for this class Photos will be judged on photographic merit as well as manipulation technique and process. Ribbon placement will be determined by combining the score of each judging section.
14. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the County Fair.
15. Photos with live subject(s) on railroad right away or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.
16. My Favorite 4-H Photography Display: This new class is only for those photography project members with 10 or more years of experience. This class is a non-judged mounted display consisting of four favorite photos from the member’s photography career in 4-H. All photos and a fifth biography/description with details of why they are regarded as most significant will be mounted on white or cream studio matte board. Photos and biography/description will be displayed on one row of the photography racks. This class is an extra way to showcase the development and accomplishments of the 4-H member’s photography career. Members can still enter two other classes, if they are enrolled 8 or more years in the photography project.
17. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
18. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

542a My Favorite 4-H Photography. 1. This is a “display only” class. 2. Eligible members must have enrolled in photography for ten (10) or more years. 3. Requirements are: A. Choose a total of four (4) of your favorite photos from any of the years enrolled in photography. 4. If used previously in competitive exhibits, remove all data slips and stickers. If the photo is an unmounted print, mount it using standard 4-H requirements and mat board. B. Develop a short biography piece. -Tell how/when an interest in photography began. -Explain why each of the four photos is a favorite. -Share the skills learned because of photography. Think beyond camera skills and include leadership, community service, etc. -Tell of any mentors/leaders worked with. -Share workshops or camps pertaining to photography you attended. -Explain (if relevant) any plans to use photography skills beyond 4-H/High School. -Include a small (2 x 3) photo of yourself at the start of the biography. -Print the biography document and mount it on a standard mat board. 4. Place name and Extension unit on the back of each of the 5 mat boards in the upper right-hand corner. 5. This exhibit does not have to qualify at the county/district level to exhibit at the Kansas State Fair. 6. There is no data slip required. 7. A member who qualifies to exhibit in this class is still allowed to enter two prints and a portfolio for judging if qualifications for those classes are met.

543 – Growth Portfolio

## (CONT.) DEPARTMENT 50 - PHOTOGRAPHY 4-H

1. Member must have been enrolled in Photography project for three (3) years or more.
2. Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included, if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-olds year, one photo from the eight-year-olds year, and one photo from the nine-year-olds year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1,3,5,7 and 9 for a member having project enrollment totaling 9 years.
3. Photos must be 8" x 10" and may be color or black and white. and must be unmounted.
4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
5. Skill set used to create the photo must be given and explained. Main goal for each year should be listed.
6. Beginning with photo 2, member description of GROWTH in project skill must be included on information sheet.
7. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed in #6 and #7. A portfolio book will be required.

### 544 – Career Portfolio

1. Member must have been enrolled in Photography for 5 (five) or more years OR member must be age 15 -19 and been enrolled in photography for at least two (2) years.
2. Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years.
3. Photos may be color except if Black and White option is chosen and must be unmounted.
4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
5. A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.
6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

NOTE: A member may enter only one portfolio each year. Portfolio must have qualified at the County/District Level beginning with 4-H year 2023-2024.

## DEPARTMENT 53 – ENGINEERING AND TECHNOLOGY 4-H/FFA **4-H Ag Mechanics Welding, Building Block Engineering, Astronomy, Computer Science, Robotics, Aerospace/Rocketry, Uncrewed Aerial Systems**

Exhibitors receiving a purple ribbon who plan to take their exhibit to the Kansas State Fair need to check the 2024 Kansas State Fair 4-H Exhibitors Handbook for additional details, including those on exhibit labels and information packets.

### 4-H AG MECHANICS WELDING

The Ag Mechanics project is starting with an emphasis on welding and smithing, it will expand as the project area grows. Please direct project feedback to Tony Foster. This project allows youth to explore areas of ag mechanics and metallurgy from repairing or repurposing items to the fabrication of new items. The intent is for this program start with foundational areas, some of which youth may already have, and allow them to continue to build on this knowledge becoming more experienced.

1. 4-H members must be currently enrolled in the Kansas 4-H – Ag Mechanics Welding project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year. The exhibit must have been selected at the county level for entry at the State Fair. Counties or districts should select only top blue or purple ribbon Ag Mechanics exhibits which meet State Fair guidelines.
3. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
4. Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel Chocking mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
5. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent or with State Fair Extension Staff and **labeled with the exhibitor's name, county, and phone number.**

## (CONT) 4-H AG MECHANICS WELDING

6. For exhibits with downward swinging parts, such as tailgates, that could pose a fall/striking/crushing hazard should have a tamper resistant locking mechanism such as a “zip-tie” or a “cotter-key” through a release pin that would prevent the swinging part from being accidentally released and falling on someone.
7. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total demission’s and weight of the exhibit as described previously. Exhibit display boards should have a portable and moveable base. and examples should be firmly affixed to the board to ensure all parts of the display stay together No exhibits may be staked to the ground for display.
8. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
9. Exhibits may not be bound, affixed, attached to the State Fair buildings, except by the superintendent, State Fair Staff, or State Fair Extension Staff.
10. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents one ribbon placing will be deducted.
11. Repair projects having adequate original finish need not be repainted
12. Cutting surfaces, such as blades, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam “pool noodles” and multiple layers of cardboard are acceptable. Display cases for small exhibits are acceptable and must be easily opened so the item can be removed and examined as part of the judging.
13. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
14. Trailers and large exhibits (those larger than 5 feet in any dimension) may be displayed outside, and exhibitors with such exhibits are to contact the Kansas State 4-H office NO LATER THAN August 23rd to arrange placement time and location.
15. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires
16. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch
17. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judges’ discretion, will receive a deduction in ribbon placement or a participation ribbon
18. The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display – **See State fair rules for more information**
19. Each exhibit, except for display boards, must include an Ag Mechanics Welding information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
20. Each exhibitor is required to complete the “4-H Ag Mechanics Welding Exhibit Information Form” for each exhibit, except for display boards, which is available through your local K-State Research and Extension office or at <http://welding.engtech4ks.com/>. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit.
21. Each exhibit information packet should include the following items:
  - a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost
  - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
  - c. If appropriate schematics or working drawings relating to the creation or repair, this is not required for display boards.
  - d. If appropriate operating instructions
22. Additionally exhibitors may create an optional video (not required) about their project showing its operation and the work they have done. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive. or micro/SD card or, if desired, uploaded as to YouTube as an unlisted video and a link to that video included in a file titled “VideoLink” or printed on a separate sheet of paper. These videos may also be considered for inclusion in a running video loop in the STEM area at the state fair after review by judges, superintendent(s), and extension staff. Adult guardians must complete the video release included with the exhibit form. If the release is not completed the video will not be included in the video loop on display in the STEM area at the Kansas State Fair. These videos may also be considered for inclusion in a running video loop in the Engineering and Technology area at the state fair after review by judges, superintendent(s), and extension staff. Adult guardians must complete the video release included with the exhibit form. If the release is not completed the video will not be included in the video loop on display in the STEM area at the Kansas State Fair.

### **Introductory - Level 1 classes (about 1 - 3 years of experience)**

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

## BUILDING BLOCK ENGINEERING

- 4-H members must be currently enrolled in the Kansas 4-H – Building Block Engineering project to exhibit in this division.
- Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year. The exhibit must have been selected at the county level for entry at the State Fair. Counties or districts should select only top blue or purple ribbon BB exhibits which meet State Fair guidelines.
- Counties are limited to **FOUR** exhibits to the state fair to insure sufficient space for all exhibitors
- Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep. The minimum exhibit dimensions must be at least 6 inches wide and deep.
- All exhibits should be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. It may be desirable to place a cutting board or other hard surface between the lid and base plate of the exhibit to make it more sturdy. This is to keep exhibit parts from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure **do not count** towards the total exhibit dimensions but should not be excessive. The entire exhibit should fit in the display enclosure so the enclosure does not smash into the exhibit during movement.
- All components used in construction should be dust and hair free, clean, free of chips, scuffs, cracks or broken blocks.
- The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®

**(CONT) BUILDING BLOCK ENGINEERING**

8. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks
9. **The use of existing “store bought” sets for major architectural elements of the display is not allowed**, use of figurines from sets is allowed as is using individual bricks or small sub-assemblies to create something different than the architectural component of the set it came from.  
For example, a car hood or front end from a car kit could be used in a “car museum,” just not the entire car. Store bought sets shall be shown under visual arts/ arts & crafts sections for fairness.
10. Displays must have significant architectural components (walls, windows, doors, roofs, canopies flying buttresses, etc.), landscapes are strongly discouraged. Designs should have a central theme. Dioramas should be suitably complex and have multiple elements, for example, a camp site that has a log cabin, tree fort, and a car.
11. Architectural elements should have a consistent look, walls with no pattern or consistency will be deducted one ribbon placing
12. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example an earthquake.
13. Doors should open and close, windows can be either fixed or open and close.
14. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method
15. Reveals that show the inside of a structure are acceptable, such as only having three walls to allow an unobstructed view into a room.
16. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. If used judges should be able to use them and instructions should be provided for operation.
17. Artistic designs with no architectural design/components are not permitted and two ribbon placings will be deducted
18. The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display
19. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
20. Each exhibitor is required to complete the “4-H Building Block Engineering Exhibit Information Form” which is available through your local K-State Research and Extension office or at <http://blocks.engtech4ks.com/> . This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit.
21. Each exhibit information packet should include the following items:
- a. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred
  - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
  - c. If appropriate operating instructions for mechanical portions of the diorama.
22. Additionally exhibitors are required to create a video about their project discussing their construction experiences and the architectural elements of the diorama. This allows judges to get a better understanding of the exhibit and allows youth the opportunity to fully explain their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive. or micro/SD card drive or, if desired, uploaded as to YouTube as an unlisted video and a link to that video included in a file titled “VideoLink” or printed on a separate sheet of paper. These videos may also be considered for inclusion in a running video loop in the Engineering & Technology area at the state fair after review by judges, superintendent(s), and extension staff. Adult guardians must complete the video release included with the exhibit form. If the release is not completed the video will not be included in the video loop on display in the area at the Kansas State Fair
23. Building Block Engineering exhibits may be checked out for use in a Kansas State Fair 4-H demonstration or 4-H illustrated talk with prior permission. For permission, check with the superintendent or the information desk in 4-H Centennial Hall. The exhibit must be returned to display immediately after the demonstration/illustrated talk or the exhibit will be disqualified.

## ASTRONOMY

**Rules:**

1. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes, which require no construction are not acceptable exhibits.
2. Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
3. Each telescope exhibit must include a "4-H Astronomy Exhibit Information Form," which is available through your local K-State Research and Extension office or at <http://astronomy.engtech4ks.com/>. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. You must also include construction plans (or a photocopy) of the telescope and place it inside the manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
4. See the last section for full details about exhibiting posters, display boards and notebooks.
5. At least two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 1/2" x 11" page. A brief caption should accompany each photograph. Place photos in the 10" x 13" manila envelope. Up to 10 pages of pictures can be included.
6. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.
7. Telescopes designed by the exhibitor must be original, not a modification of an existing kit. A form must be filled out to go on. Find the form at <http://astronomy.engtech4ks.com/>
8. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope.
9. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a white ribbon.
10. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
11. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

## COMPUTER SCIENCE

The Kansas 4-H Computer Science System portion of the computer project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer systems (networking); how information is stored; or how information is acted on (programming).

**Rules: See the 2024 State Fair Book for a Complete set of Rules**

Any item which IS NOT a notebook, display board, or poster displayed in this project is considered a "computer system" exhibit and must follow the rules below.

2. The computer systems portion of the project is designed to allow members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer systems (networking); how information is stored; or how information is acted on (programming).
3. The actual construction of computer hardware (i.e. building a computer, electronic devices with a mother-board based manipulation) will remain in the Energy Management division.
4. Educational exhibits should follow guidelines described at beginning of Engineering and Technology division content.
5. All exhibits must be:
  - a. Self contained on a USB drive (thumb drive, flash drive, jump drive, or any other name for a small USB storage device). This means that a judge can plug in the USB drive into a computer and run the exhibit as described below.
  - b. OR System-On-A-Chip (SOC), (such as Raspberry Pi) or a Micro-Controller (such as an Arduino or Ozobot) and is a compact (8" x 8" x8") system which can be programmed AND requires minimal assembly to operate.
6. Exhibition in a computer systems class should follow the rules and guidelines for 4-H Computer Science in the 2024 Kansas State Fair's Kansas 4-H Handbook. This information be accessed at the Extension Office.
7. Physical computers such as tablets, smart phones, laptops, or personal computers (PC's) will not be accepted as an exhibit.
8. Educational exhibits should follow guidelines described at start of Engineering and Technology division content.

## ROBOTICS

### Rules:

- Exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the robot. Creativity, workmanship, and functionality will be strong criteria in judging the "Robot designed by Exhibitor" classes.*
- Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
  - All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components. Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
  - Remote controlled robots** are allowed under certain conditions provided that the robot is *not drivable*. Robots programmed on phones/tablets need to have a specific program created, using motion controls to move the robot are not acceptable, for example "press forward on the screen to make the robot go forward. Robotic arms (hydraulic or electric) are allowed. A remote is allowed provided more than a single action happens when a single button is pressed on the remote, for example "a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds." Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
  - Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete its intended task.
  - Each exhibitor is required to complete the "4-H Robotics Exhibit Information Form" which is available from the Extension office. This form must be attached to the outside of a 10" x 13" manila envelope.
  - The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans, a video, and one to five pages of project photographs. This information should be placed inside the 10" x 13" manila envelope mentioned above. The exhibitor may enter their electronic project listed under the energy management program if the exhibitor so chooses. No exhibitor will be allowed to set up their robot in person at the state fair.
  - See the last section for full details about exhibiting posters, display boards and notebooks.
  - If a safety violation is noted by the judges, superintendents, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a white ribbon.

### Division B – Junior

- 838 Robot made from a commercial (purchased) kit. (No programming, just assembly)
- 839 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 840 Programmable robot made from a commercial (purchased) kit.
- 841 Robot designed and constructed by exhibitor or from a commercial kit that is operated by a remote-controlled device.
- 842 Junk Drawer Robotics

### Division C – Senior

- 845 Robot made from a commercial (purchased) kit
- 846 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 847 Programmable robot made from a commercial (purchased) kit.
- 848 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote-controlled device.
- 849 Junk Drawer Robotics

### Division D – Team Robotics Project

850 Robot designed and constructed by two or more 4-H project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division requires the brainstorming, planning, problem solving, and cooperation of an entire team.

Refer to Kansas State Fair's Kansas 4-H Exhibitor Guide for class's complete details.

Educational exhibits should follow guidelines described at start of Engineering and Technology division content.

## AEROSPACE/ROCKETRY

**This is a reduced set of rules for use at county fairs.** The use of these rules is optional and left to the discretion of the county fairs. These are more simplistic rules that cover the most common scenarios that are likely to appear at county fairs. Youth who are eligible for the Kansas State Fair should read the Kansas State Fair rules for this division as the State Fair rules expect more from youth and set a higher bar as it is a state-wide event exhibiting the best from across the State of Kansas.

### Reduced Set of Rules:

1. 4-H members must be currently enrolled in the 4-H Rocketry program to exhibit in this division.
2. If a rocket qualified for the Kansas State Fair, exhibitors should read the State Fair rules for the Rocketry division as they may be different from those at the county fair. Be sure to check class numbers, they may be different.
3. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be a "model rocket kit", the second may be entered into any other applicable class. An exhibitor may not enter two rockets in the same class.
4. 4-Hers are to complete and sign the rocketry information form, available from <http://rocketry.engtech4ks.com/> or your local extension office and attach it to a 10" x 13" "manila" envelope. The envelope should contain:
  - a. Instructions on how to construct the rocket
  - b. Up to 5 pages of pictures, pictures are to be attached to sheets of paper, from both construction and launch
  - c. Documentation of any flight damage that occurred
  - d. Any modifications made to the rocket except for paint scheme and decals.
  - e. An additional page for altitude calculations if the space on the form is not enough.
  - f. Additionally, for original design rockets, also known as "scratch built" rockets:
    - i. 5 additional pages of photos are allowed
    - ii. Documentation of how the rocket was tested for stability
5. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon.
6. Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket, or stand unassisted, unless the rocket is taller than 4 feet in which case no display stand is required and the rocket may be displayed on its side, rockets are not to be displayed on launch pads to save space and prevent someone from being poked in the eye.
7. Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or as part of the stand, if rocket engines are included in the exhibit the judge may disqualify the exhibit.
8. Rockets should be flown unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
9. Rockets, **except those in the JR division**, are not to be "beginner kits" or use prefabricated (molded plastic) fin assemblies, or pre-finished rockets requiring no painting, these are not acceptable outside the JR division, and should be disqualified. Rockets entered in the JR division **may not** go on to the Kansas State Fair.
10. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from <http://rocketry.engtech4ks.com/>
11. Fins and body tubes, except those in the introductory division, are to be filled and sealed with putty, sanding sealer, and/or primer or other suitable filler to eliminate the appearance of body grooves and wood grain.
12. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
13. Engine mounts are to be securely attached to the body tube.
14. Any seams on plastic parts are to be sanded smooth.
15. The recovery system (typically a parachute or streamer) should be attached according to the instructions
16. The nose cone is to fit snugly but still allow for easy removal.
17. Exhibits must be uniformly painted and smoothly finished without "runs," "orange peel," or "alligator skin" or finished as per rocket instructions (for example, no painting required), and decals, if used, are applied smoothly.

## (CONT) AEROSPACE/ROCKETRY

18. Models may not be judged based on their paint scheme (colors and placement on the rocket), except for rockets that fit the definition of a 'scale model\*' and are entered in the scale model class. All other rockets do not have to follow the suggested paint scheme, allowing the 4-H'er to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the non-scale model from one ribbon placing to another.

19. "Scale models\*" entered in the scale model class may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.

20. "Scale Models\*" displayed in the scale model class are to be finished and completed with a majority (greater than 70%) of decals. For all other rockets the use of decals is optional.

21. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.

22. Original design rockets must be designed by the exhibitor(s).

23. Exhibitor(s) must be 11 years of age (4-H age) or older to enter an original design rocket.

24. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.

25. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are strongly encouraged. Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings.

26. Rockets that use more than one 'D' engine or equivalent are considered mid or high-power rockets in 4-H.

27. Mid and High-Power exhibitors must be at least 14 years of age by January 1 of the current year.

28. In addition to the information packet completed for all rockets, a high-power information form is to be completed and placed inside of the information packet. This may be downloaded from <http://rocketry.engtech4ks.com/>

29. Exhibitors in the mid and high-power divisions must hold memberships in either NAR or Tripoli organizations.

30. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all mid and high-power rocketry exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year.

31. All rockets in the mid and high-power divisions are to be launched under adult supervision by the 4-H member who constructed the rocket.

32. For rockets launched using an engine(s) that have 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification if launching on this large of an engine.

**\* As defined by the National Association of Rocketry (NAR), a scale model is "any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle." The intent of scale modeling is, according to the NAR, "to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance." (NAR "Pink Book" 50.1 4-1)**

### UNCREWED AERIAL SYSTEMS

The 4-H uncrewed aerial system or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Uncrewed Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of uncrewed aerial system including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.

**Rules:**

1. The 4-H members must be currently enrolled in the 4-H project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current 4-H year and have been selected at the county level for entry at the State Fair. Counties or district should select only top blue or purple ribbon exhibits which meet State Fair guidelines.
3. The information that accompanies the UAS must be limited to the 4-H STEM Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS. This may be downloaded from <http://uas.engtech4ks.com/>. Any UAS exhibit not including this completed envelope will receive an automatic participation ribbon. All revisions of forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
4. Each exhibit **MUST** include a video of the youth operating their UAS. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive or micro/SD card or, if desired, uploaded to YouTube as an unlisted video and a link to that video included in a file titled "VideoLink" or printed on a separate sheet of paper. These videos may also be considered for inclusion in a running video loop in the area at the State Fair after review by judges, chair(s) and extension staff. Adult guardians must complete Video Release included with the exhibit form. If the release is not completed the video will not be included in the video loop on display in the Engineering and Technology area of the Kansas State Fair.
5. Uncrewed aerial system exhibits may be checked out for use in a Kansas State Fair 4-H demonstration or 4-H illustrated talk with prior permission. For permission, check with the superintendent or the information desk in 4-H Centennial Hall. The exhibit must be returned to display immediately after the demonstration/illustrated talk or the exhibit will be disqualified.
6. Exhibitor's name, county or district, age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
7. Uncrewed Aerial System that include or depict weaponry of any kind will be disqualified.
8. See the last section for full details about exhibiting posters, display boards and notebooks.
9. For scratch built UAS kits, If modifications are made to the exhibit a page should be attached noting those modifications.
10. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a participation ribbon.
11. For practical application entries, the UAS is not required to be displayed as part of the exhibit, only the supporting material.
12. The same UAS may be used by multiple exhibitors for different practical application entries.

**Junior Division**

5701 Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.  
5702 Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit. This includes one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other nonagricultural UAS uses that would be appropriate for this class.

### NOTEBOOKS, EDUCATIONAL DISPLAYS, POSTERS Rules:

1. This division is designed as an educational display for projects where no other exhibit is practical.
2. Exhibit will consist of notebook, poster, display or booth relating to current years project work. Members may include their current 4-H record sheet.
3. You may enter a notebook, poster, or display in each class.
4. A display should be designed to be a table top display. Exhibitors are responsible for sides, back, etc. of the display.
5. The booths must be pre-entered by July 1. Form in appendix.
6. Class 603A is designed for INDIVIDUAL booths for any of the projects listed below.
7. Booths may register for a full or half size booth, whichever is needed.
8. Size of booth is approximately 6 ft. wide X 4 ft. deep frame. Members are responsible for construction and maintenance of the booth. Exhibitors are responsible for removing all staples, tacks, and tape from the booth.
9. **All exhibitors are required to wear the official Smith County Free Fair t-shirt when showing their exhibits.**
10. **Attendance is required of the exhibitor at the pre-fair clean up and set up and at the post fair clean up. The Exhibitor is also required to work 1 shift (3-4 hrs) at the 4-H Food Stand. Fair premium money/premium auction eligibility will be withheld.**

**USE OF COPYRIGHTED/TRADEMARKED MATERIALS**

In recent years, there has been an increase in the use of brand names, logos, and quotations on exhibits at county and state fairs. Many of these (Olympic rings on banners, candy wrappers on nutrition poster, "Just Do It", etc.) are copyrighted or trademarked. Anytime you see the letter "c" with a circle around it, the owner of the material holds a copyright. Similarly, all rights to use trademarks are protected by either "TM" or letter "r" with a circle around it. If an individual or group feels that they must use copied material, they should contact the original source, explain how their property will be used, and request written permission so that the material can be used in good faith. The holder may require a user fee. The written permission to use copyright and/or trademark material must be attached to the exhibit or displayed if used in a public presentation.

**DEPARTMENT 57 - LIVESTOCK JUDGING SKILL-A-THON**

**Rules:**

1. Clubs may have 4 people on a team. This is in the format of Jeopardy.
2. Team entry will begin on Saturday, 1:30 p.m, in the armory with quiz bowl competition beginning at 2:00 p.m.
3. There will be a junior and senior division.
4. There will be approximately 3 rounds per division.
6. Awards will be following the Final Round of Competition to the winning Junior and Senior Teams

## QUESTIONS?

### **DO I NEED AN ENTRY CARD?**

As a reminder, everything that is seen by a judge, or anything you get a ribbon for, or anything that you get a premium for, or anything that is published in the paper — needs to have an entry card filled out. The entry card is the only way that the computer knows that you exhibited something at the fair. **WHEN IN DOUBT – FILL ONE OUT!!**

### **WHAT IS AN EXHIBITOR NUMBER?**

The exhibitor number is how the computer recognizes your name and club. Look in this fairbook for the exhibitor list to find your number. You will have the same number as long as you are in 4-H/FFA and in the same club. If you use somebody else's number – they will get the credit and money for the entry – not you. If you are in both 4-H and FFA you will have 2 numbers. If you want credit as a 4-H entry, use your 4-H number. If you want credit as an FFA entry, use your FFA number. Those interested in open class may get an exhibitor's number from the Extension Office.

### **WHY IS MY AGE WRONG ON THE LIST?**

To make things more consistent across the state, we use your age as of January 1 of the current year (2021). You may be older than the list says, but for the purposes, we ask you to use the age as listed. If you think it's still wrong give us a call at the Extension Office.

**FIRST AID KITS** will be located in the metal storage shed and the fair office in the armory.

**STORM SHELTER ---- Armory - 7 a.m. to 10 p.m. OR OUTSIDE Bathroom Building – middle section. (24 hours)**

## ENTRY CARD QUESTIONS

Every item and event at the fair must have a pink entry card filled out prior to the fair. These cards are used to record your entry, placing and premium at the fair. Here are a few tips about filling out these important cards:

\* **Attach the card to the exhibit or give to the superintendent.** For most entries, the cards can be attached to the exhibit. You may tape, staple, punch a hole, attach a string, or use any device you want to put it on your exhibit. Remember that the small part of the card stays with the exhibit and the large part the superintendent turns into the office. Make sure that the workers can write your placing on the card and that they can easily detach the large piece. For the livestock, showmanship, herdsmanship and style revue -- you give your cards to the person in charge -- since it's not too easy to staple a tag to your gold fish!!

\* **Fill out both parts of the card.**

\* **Do not tear the card apart. If it rips, just tape it back together.**

Below is a sample entry card. Follow the arrow to find out where you get the information for the blanks.

Sample from Fairbook:

### **Department 55 - 4-H Notebook, Education Display Posters**

#### **Rules:**

1. This division is designed as an educational display for projects where no other exhibit is practical.
2. Exhibit will consist of notebook, poster, or display relating to current years project work. Members may include their current 4-H record sheet.
3. You may enter a notebook, poster, or display in each class.

#### **Individual notebooks, posters or displays**

Class:		Purple	Blue	Red	White
585	Ecology Notebook, poster or display . . . . .	4.00	3.00	2.00	1.00
586	Bee Science Notebook, poster or display. .	4.00	3.00	2.00	1.00

## USE OF COPYRIGHTED/TRADEMARKED MATERIALS

In recent years, there has been an increase in the use of brand names, logos, and quotations on exhibits at county and state fairs. Many of these (Olympic rings on banners, candy wrappers on nutrition posters, "Just Do It", etc.) are copyrighted or trademarked. Anytime you see the letter "c" with a circle around it, the owner of the material holds a copyright. Similarly, all rights to use trademarks are protected by either "TM" or letter "r" with a circle around it.

If an individual or group feels that they must use copied material, they should contact the original source, explain how their property will be used, and request written permission so that the material can be used in good faith. The holder may require a user fee. The written permission to use copyright and/or trademark material must be attached to the exhibit or displayed if used in a public presentation.

Dear Organization,

The Smith County Free Fair will be here before we know it. The Smith County Fair Board is making final plans to make a successful 2024 fair.

Part of that success is due to displays set up during the fair to attract the citizens of Smith County. All displays will need to complete the registration form below.

**1) EDUCATION/NON-PROFIT ORGANIZATION/CAMPAIGN DISPLAYS** - can be located inside the Armory or outside, there is no charge for these displays. Tables will be available inside. Setup inside the armory will be on Wednesday, July 17 from 1-5pm. Teardown will be 11:00am on Monday, July 22. All displays must be picked up at this time. If you need other accommodations please call the extension office at 785-282-6823.

For outside displays you can choose any nights from Friday - Sunday. Most outdoor displays will be open from 7:00 p.m. to 10:00 p.m. Friday through Sunday. You are welcome to be open more if you choose.  
Electricity Needed? YES or NO

INDOOR: Set Up - Wednesday, July 17 from 1-5pm; Teardown - Thursday 11:00am

OUTDOOR: Choose any day(s) \_\_\_ Friday \_\_\_ Saturday \_\_\_ Sunday

---

**2) COMMERCIAL DISPLAYS** - There will be a \$10.00 charge for these displays inside the armory and \$25.00 for displays set up outside. You would be able to choose any nights, starting Friday, July 19 until Sunday, July 21. On Monday, the National Guard Armory will be closing at 11:00 a.m. and all displays must be picked up by this time. Most displays will be open from 7:00 p.m. to 10:00 p.m. Friday through Sunday. You are welcome to be open more if you choose. The outdoor location for the displays would be outside in the grassy area which is located just north of the covered show arena. No supplies will be furnished. Electricity would be available; however, no tables would be available. All the proceeds from your display would go directly to your business with no percentage to the Smith County Fair Board.
