SCHEDULES

Schedules will be made and emailed to participating families as soon as possible after the respective registration deadline.

Experience 4-H Day

www.postrock.k-state.edu/4-h/events/4-hday/

4-H Day is an opportunity for Post Rock District 4-H members to showcase and further develop communication skills. The Kansas 4-H Communications Project webpage has many helpful resources to assist you with developing communication skills. If you can't find a resource to meet your needs, please contact your local Post Rock District Office.

AGE DIVISIONS

Post Rock District 4-H Day age divisions are determined before January 1 of the current 4-H year.

Cloverbud Division = 5–6 years old

Junior Division = 7–9 years old

Intermediate Division = 10–13 years old

Senior Division = 14 years and older

SPECIAL CONSIDERATIONS

If you register and have a last-minute change of plans (i.e. illness), you will be allowed to adjust your registration to a contest with a virtual option.

PARTICIPATION

Participants, volunteers and spectators are expected to follow the Kansas 4-H Code of Conduct. This includes behavior, presentation content, visuals, etc. Post Rock District 4-H Day is a district-level experience. Participants must be actively enrolled in the Post Rock District through 4-H Online. Cloverbud members can experience 4-H Day on a participation basis only, participating in no more than one individual area as well as no more than one group area. Youth can participate at one or both Post Rock District events; however, a participant or group cannot enter the same entry at both events.

VIRTUAL ENTRY EXPECTATIONS

Recorded presentations can only be submitted for judging for individual entries in project talks, illustrated talks, demonstrations, public speaking, and public service announcement (PSA). These entries are not eligible for OPS awards. Model meeting entries will only be submitted as a recorded video entry and are eligible for an OPS award. All other contest areas are for in-person participation only. **All virtual entries are due to a Post Rock District Office before or on March 3, 2025.** Submit by a flash drive or with a sharable online link (i.e. google drive) emailed to postrock4h@ksu.edu. Entries will be judged after the completion of the final in-person 4-H Day event and results shared with the participant as soon as available.

Judges understand virtual entries are not professionally recorded. Judges are evaluating the presenter and their presentation skills, and they will not be judging video editing skills. Presentations do not need to be video edited. Presentations should not be recorded multiple times for perfection. The best learning experience for the youth will be when the recording environment is set-up and scheduled to imitate an in-person competition. It is most important that the judge can clearly see and hear all components of the presentation they would look for during an in-person presentation. If you need assistance planning for recording a virtual presentation, contact a Post Rock District office three weeks before your desired recording date.

AWARDS

Each 4-H member in the Junior, Intermediate and Senior Divisions will be judged based on the contest area's expectations. Written feedback will be provided to each youth along with a white, red, blue, or purple ribbon ranking. In each contest area, one Outstanding Presentation Sensation (OPS) award will be selected from the top purples in the respective age division, if the judge determines there is an entry deserving of the award. In eligible contest areas and age divisions, youth earning a purple at a Post Rock District 4-H Day are able to participate at the Kansas State Fair. Failure to meet the expectations outlined for each contest area will impact judging scores.

LEADERSHIP AND SERVICE VOLUNTEER

4-H members, families, clubs, and supporting adults are encouraged to volunteer to assist with 4-H Day or Judging Extravaganza. Opportunities will be available for sign-up through the online event registration process.

Experience Judging Extravaganza

www.postrock.k-state.edu/4-h/events/judging-extravaganza/

Judging Extravaganza is a Post Rock District event where youth can challenge themselves through judging contests related to popular project areas as well as contests related to life skill development.

NO PRE-REGISTRATION

Judging Extravaganza is a come-and-go experience. There is no pre-registration required. Participants must be actively enrolled in 4-H Online in the Post Rock District to be eligible to participate.

COME-AND-GO JUDGING EXPERIENCE

Youth do not need to complete the entire Judging Extravaganza at one time. If they need to leave to complete a 4-H Day entry, they can come back and finish their judging contests. In the spirit of 4-H, we ask that all participants act with integrity if they need to leave a contest and return later.

CONTEST RESOURCES

No cell phones or other devices are allowed to be used by participants while they are completing judging. Study resources cannot be used while completing judging. In most situations, participants should be able to complete the contest independently. However, there may be some unique circumstances where an adult or older teen needs to assist a young person. An adult or older teen assisting with reading, etc. for a participant must only assist with reading and understanding the instructions. Each youth needs to be given the opportunity to test their own knowledge during the contest and to work through the decision-making skills of each respective judging contest.

STUDY GUIDES

Each contest will have study guides published online by January 10, 2025. You can find them on the Judging Extravaganza webpage. Youth who work with adults, family members, and fellow 4-H members to explore the study guides in advance of the contest find they have more success throughout this type of learning experience.

AGE DIVISIONS

Age divisions will follow the same divisions declared for 4-H Day contests and each contest will have a Junior, Intermediate, and Senior division. Cloverbuds can participate for experience only.

TEAM COMPETITION OPTIONAL

Team competition is optional. Teams include four 4-H members. Check-in as an individual and note your team name at event check-in. Team members can represent any age division, and they do not have to be from the same county or club. If you choose to be part of a team, you must complete all eligible contests. All members will be scored. Team members do not need to be present at the same time.

AWARDS

The contests will be the same at both the February 8 and March 3 events, so awards will combine results from both events. Each contest will have awards, in addition to overall age division winners. Youth must complete an entire contest to be eligible for the respective contest's awards. Youth are only eligible for overall awards if they complete every contest in their age division. Team awards are only on an overall district-wide basis. Individual and team prizes will be awarded and announced at a later date after scores are tabulated.
