K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Language access requests and reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language), may be requested by contacting the event contact, Blaire Todd, four weeks prior to the start of the event (12/17/24) at 785-738-3597 or blairet@ksu.edu. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

**Kansas State University Agricultural Experiment Station and Cooperative Extension Service**  
K-State Research and Extension is an equal opportunity provider and employer.
