

SUPER SITTER

WORKSHOP

HANDS-ON FUN AND LEARNING

Super Sitter Workshop is a free experience focused on helping youth understand the ages and stages of child development (infant through school-age) while exploring safe, interactive play and engagement activities.

This workshop will support the growth and confidence of youth babysitters, kids helping with younger siblings, and those who find enjoyment playing with littles. Interested youth entering 2nd grade through high school in the fall are welcome.

Come explore early childhood development while building leadership skills and having fun!
